Lost or forgotten your password?

If you have lost or forgotten your password, please click on the forgot password option on the login page, enter your registered email address to receive the reset link. Please note that the reset link is valid for 60 minutes and will expire after that time frame. Reset links may be sent to spam/junks box, kindly look here too, you never can tell.

**I can't find my enrolment number/SCN
when I want to register?**

You may want to check that you entered your enrolment number correctly, also please ensure you add the prefix "SCN" before entering the supreme court number, like so "SCN000000". If you still cannot find your details, please contact a support agent for the enrollment on the database.

I have issues making payment, each time I click on "Pay Now" it keeps bringing me back to the same page.

Please check that your email is verified (with a blue tick beside) before proceeding to pay. Payments cannot be made on unverified accounts. After email verification, you can easily proceed to pay.

I am trying to register, but I keep getting the "this email address/phone number is already registered" error message.

If you registered for the previous NBA AGC 2021 or 2022, you should skip the registration form process entirely. Simply login, change your category (if necessary), upload your passport photograph, then pay for the NBA AGC 2023. You also have the opportunity to update your profile before making payment, just in case anything has changed.

I am stuck at making payment, it doesn't seem to go through.

Please be informed that there are several payment options to explore (card, USSD, transfer), you can try any of them.

I keep getting the "We are unable to charge your card" error message.

Your email address may have been hot listed for multiple failed attempts and as such you may need to wait for 24 hours, or change your email address before you initiate another transaction.

I have registered for the conference, but I haven't received the verification link yet.

Please ensure you enter the correct email when registering for the conference, check for spellings and special characters (*@.#,?/) as well. You may log on to your dashboard and click on the "Resend link" at the top right corner of the page to receive the verification link again.

How do I receive the 50% discount for the CLE requirements

The discount is automatic and reflects on your AGC fees, if you are eligible or meet the requirements, you can also access it when you log on to the portal. If you log on to your dashboard and you see the discount, congratulations! If you log on to the dashboard and you are still expected to pay the full fee, better luck next time!

How do I get the CLE points?

CLE points are gotten by attending trainings that have CLE points. The respective training institutions usually determine trainings that have CLE points attached to them. The more trainings (that have CLE points) you attend, the more points you accumulate.
